

# Engineering Minor Course of Study

Name \_\_\_\_\_ Class \_\_\_\_\_ Date \_\_\_\_\_

Turn in this document to the Engineering Department office to apply for an Engineering Minor,  
but only if you are not an Engineering Course Major.  
If you are not majoring in Engineering, you may not take Engineering 90.

## For Course Minors

Course Major [ ] in \_\_\_\_\_

1) Please list the appropriate semester for your two or three core courses:

ENGR 006:	Spring	_____	ENGR 012:	Spring	_____
ENGR 011:	Fall	_____	ENGR 014:	Spring	_____
ENGR 041:	Fall	_____	ENGR 015:	Fall	_____

2) Print out page two of the “Major Plan of Study” (at <http://engin/StudentInfo/index.html>) and check boxes for the Engineering courses you plan to take in the next two years. Include this as page 2 of this application.

## For Honors Minors

Honors Major [ ] in \_\_\_\_\_

1) Please list the appropriate semester for core courses you plan to take (note: you must take Senior Honors Study in your last semester):
